

A graphic design for a festive special. The background is a light pink color with a pattern of stylized, overlapping leaves in a darker pink shade. The leaves have fine lines representing veins. At the top and bottom edges, there are dark green silhouettes of palm fronds. In the center, there is a large, light purple circle with a white border. Inside this circle, the words "FESTIVE" and "SPECIALS" are written in a white, uppercase, sans-serif font, stacked vertically. Scattered throughout the background are several small, white, six-pointed snowflake icons.

FESTIVE
